

## Senco Bulletin Issue 5 4<sup>th</sup> October 2019

1. **Primary Senco forum:** thank you to everyone who attended – all the presentations are here together with the EY inclusion fund referral form and guidance. And same for CONTACT

2. **Secondary Senco forum:** final agenda next week. There will be 3 main sessions: *Implications of the new Ofsted framework for SEN* (focus on curriculum), *Learning from the Maths Hub* (quality first and the graduated approach for math), and *Priorities for this year and your involvement in the LA's SEN/Inclusion strategy*. Also updates on the school nursing service, new AR form and Early Help.

3. **DLD Awareness day:** is 18<sup>th</sup> October. The Community SaLT team have put together a fantastic booklet of resources see attached. Includes: resources for parents/events in school, ideas for activities and assemblies, information and strategies for teachers. Please promote.

4. **Inclusive practice in London:** The London Councils organisation has recently published (25 September) this qualitative study focusing on inclusive school provision and practice: *Inclusive practice: the role of mainstream schools and local authorities in supporting children with SEND* : <https://www.londoncouncils.gov.uk/our-key-themes/children-and-young-people/education-and-school-places/inclusive-practice>

5. Free event at London Met University Wednesday 6<sup>th</sup> November. See attached

6. **UCL Short courses:** see email attached for short courses on EHCPs: Start to finish, Supporting Sensory Needs in the Classroom and SRE for young people with SEN. Also professional learning networks for SplD and medical needs
